## Daisy's Letter

A.N.: I know, I know I didn't update How To Train Your Dragon FangirlStyle 2 yet, but I'm working on the chapter. Anyway this was a school assignment I decided to share on this site.

Dear Jay,

I do not expect you to read this letter now that you're gone, but I must say these words.

I must say goodbye to you forever. For I will never see you again in my life, as long as I

live. I love you Jay, I always have, and always will. You can't understand how much I

love you. You have given me sprightly moments that made me feel vivacious, but those

moments are now memories of the faded past one can never repeat. I feel such

nostalgia for you, for those moments, for everything. Oh Gatsby I was a fool. A

supercilious, inarticulate, fool of a girl, who's only goal in life is to amass opulence. I've

always loved you and always will, but since you left to fight in the war, my love was

turned towards such materialistic things that would never fully fill  
my desire, no matter

how much I gain. Oh how I long for you to have your arms around me,  
and your lips

against mine, but all I have are my memories of those moments. I wish  
I would have

gone with you, so we can be together, but I just can't. I just can't  
leave Tom, I'm sorry. I

hope you can forgive me, wherever you are now, and that we may meet  
again as

apparitions, repeating our past, but until then my dear Jay I will  
live on. You were always

great to me, and I wish you hear my last words to you know. Goodbye  
Jay.

Forever yours, Daisy Buchanan
